

Limited Liability Warranty: CLASSIC AAT

The SUNSIGHT product listed above is covered by a limited liability warranty from defects in material and workmanship for one year from the date of shipment (rechargeable battery pack warranty is six months). This warranty does not apply if, in the judgment of SUNSIGHT, the product fails due to damage from shipment, handling, storage, accident, abuse or misuse, or if it has been used or maintained in a manner not conforming to product's instructions, has been modified in any way, has been disassembled, opened, or tampered with, or has a defaced or removed serial number. Obligation is limited to the original purchaser. SunSight is not liable for consequential damages. Repair by anyone other than SUNSIGHT or an approved agent voids this warranty. The maximum liability of SUNSIGHT is the product purchase price. **No other warranty is expressed or implied, and the remedies provided herein are the Buyer's sole and exclusive remedies.**

Disclaimer

The AntennAlign Alignment Tool (AAT) must be used in a safe and professional manner using customs and practices that are known to be safe and common within the antenna installation field. SUNSIGHT INSTRUMENTS accepts no liability for the use, misuse, or incorrect use of the AntennAlign in any circumstance. The responsibility of using the device rests solely with the user.

SUNSIGHT INSTRUMENTS does not condone, nor accept liability for the use of this device outside of its intended purpose or the use of this device in any unsafe manner. SUNSIGHT INSTRUMENTS does not imply any knowledge relative to the installation, use or maintenance of any equipment other than the AntennAlign Alignment Tool Alignment Tool (AAT). The company also reserves the right to revise or otherwise improve this publication without notice or obligation.
